HIS HONOUR the Lieutenant-Governor in Council has been pleased to order that, under the provisions of the "Land Registry Act" and all other powers thereunto enabling, the following regulations be made:—

1. A Crown grant of the right-of-way in favour of the Peace River Transmission Company Limited, a company incorporated by a special Act of Canada, shall be transmitted to the proper Land Registry Office, and when received the Registrar shall enter Her Majesty as the owner of the land described in the Crown grant in the register; and upon application being made for the registration of the Company's title to the right-of-way, and upon compliance with the provisions of the "Land Registry Act" and of these regulations in so far as they are applicable, shall register the title by endorsing a memorandum thereof on the register; provided that the boundaries of the land described in the Crown grant and in the register shall be subject to amendment to conform with the boundaries as defined by the final plan, as under Regulation 4, and in accordance with the procedure prescribed under Regulation 5.

2. On completion of construction of the pipe-line, the right-of-way shall be reduced and surveyed to a total width of sixty feet, except where a greater width is deemed necessary, and subject to the approval of the Surveyor-General.

3. Where the final location of the pipe-line is determined before construction, the final survey may be made before construction, except for posting, but such posting shall be carried out within eighteen months after the completion of construction of the pipe-line.

(c) Copies of the notices published, with publication proved by a statutory declaration or affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of three hundred dollars.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees shall be returned.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll-bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the clauses of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

107. All Private Bills shall be prepared by the parties applying for the same, and printed in small-pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

DEPARTMENT OF LABOUR

PROVINCE OF BRITISH COLUMBIA

OFFICE OCCUPATION

MALE AND FEMALE MINIMUM WAGE ORDER No. 34 (1956)

PURSUANT to the provisions of the "Male Minimum Wage Act" and the "Female Minimum Wage Act," the Board of Industrial Relations hereby orders:—

Interpretation.

1. That for the purposes of this Order the following expressions shall have the following meanings:—

"Office occupation" means the work of persons employed as stenographers; book-keepers; typists; clerks; cashiers; checkers; invoicers; comptometer operators; auditors; accountants; attendants in physicians' offices, dentists' offices, and other offices; operators of switchboards and other mechanical appliances used in connection with telephony and telegraphy; and the work of males and females employed in all kinds of clerical work:

"Learner" means an employee for whose employment a permit in writing has been issued by the Board who has worked less than two months in the office occupation in the class of employment for which he is hired by an employer.

Application of Order.

2. That this Order shall apply to every employer and every employee in the office occupation except employees who hold positions of supervision or management, so long as the duties performed by them are of a supervisory or managerial character. The Board may determine whether or not the position held by any person or the capacity in which he is employed is such as to bring him within the scope of this exception.

Minimum wage.

3. That the minimum wage for employees in the office occupation shall be as provided in clauses (a), (b), (c), (d), and (f) of this section and sections 4 and 6 (b) of this Order.

Permit rates for learners.

(a) Except as provided in clauses (b) and (c) hereof, 75 cents per hour.

(b) Learners for whose employment permits in writing have been issued by the Board: 55 cents per hour during the first month's employment; 65 cents per hour during the second month's employment; and thereafter as provided by clause (a) of this section. The rates for learners fixed by this clause shall apply only:—

Application of learners' rates.

(i) To learners for whose employment permits in writing have been issued by the Board:

(ii) For the period of time covered by the permit. In the absence of a permit, the full minimum wage rate as fixed by clause (a) of this section shall apply.

(c) Employees classified under section 7 of the "Male Minimum Wage Act" or section 6 of the "Female Minimum Wage Act" for whose employment permits in writing have been issued by the Board: The wage or rate of pay prescribed in the permit.

Overtime.

(d) All employees except as provided in clause (e) hereof:—

(i) Time and one-half of the employee's regular rate of pay for all hours worked in excess of 8 in the day:

(ii) Time and one-half of the employee's regular rate of pay for all hours worked in excess of 44 in the week, where the hours worked do not exceed 8 in any one day.

Exception.

(e) Clause (d) with respect to overtime rate of pay shall not apply to employees working under an arrangement with respect to hours of work established pursuant to the provisions of section 5 or section 11 (3) of the "Hours of Work Act" or section 6 (a) of this Order until the employee has completed the hours so established.

(f) Clause (d) with respect to overtime rate of pay may be varied by the Board to meet the conditions that may apply when:—

(i) Any industrial undertaking or class of industrial undertakings as defined in the "Hours of Work Act" is exempt in whole or in part from the operation of the "Hours of Work Act" pursuant to section 12 of the said Act; or

(ii) A regulation is made by the Board with respect to an industrial undertaking as defined in the "Hours of Work Act" pursuant to section 11 of the said Act.

Daily guarantee.

4. (a) An employee reporting for work on the call of an employer, except school students reporting for work on school-days: The employee's regular rate of pay for the entire period spent at the place of work in response to the call, with a minimum in any one day of:—

(i) Two hours' pay at the employee's regular rate, except where the employee's condition is such that he is not competent to perform his duties or he has failed to comply with the Accident-prevention Regulations of the Workmen's Compensation Board; and

(ii) If the employee commences work, 4 hours' pay at the employee's regular rate, except where his work is suspended because of inclement weather or other reasons completely beyond the control of the employer.

School students.

(b) School students reporting for work on school-days on the call of an employer: The employee's regular rate of pay for the entire period spent at the place of work in response to the call, with a minimum in any one day of 2 hours' pay at the employee's regular rate.

Hours of work.

5. Subject to the exceptions provided by or under the "Hours of Work Act" and sections 6 and 9 of this Order, the hours of work of any employee shall not exceed 8 in the day and 44 in the week.

6. Provisions for variance of hours of work:—

(a) The Board may, by written authorization, permit the limits of hours of work contained in section 5 of this Order to be exceeded, provided the hours of work so authorized are not inconsistent with the "Hours of Work Act" and regulations thereunder:

(b) Where the Board is satisfied that extra working-hours are necessary to overcome emergent conditions that may arise from time to time and that such extra working-hours are not inimical to the interests of the employee, it may, by written authorization, permit the working-hours to exceed the limits prescribed in section 5 of this Order. The minimum wage for hours worked pursuant to such written authorization shall be time and one-half the employee's regular rate of pay.
7. (1) That every employee shall be given a rest period of 32 consecutive hours weekly, of which he shall be duly notified by his employer.
- (2) That in exceptional cases where it is recognized that the provisions of subsection (1) of this section are unsuitable, and when the employer and the employees concerned make application in writing that a different arrangement regarding a rest period in respect of such employer and employees be approved by the Board, the Board may approve such arrangement, and thereupon the arrangement so approved shall be applicable to the said employer and employees in lieu of subsection (1) hereof.

Different rest period.
8. That the working-hours of every employee working on a split shift in an occupation covered by this Order shall be confined within twelve (12) hours immediately following commencement of work.
9. That in any case where an operator of a switchboard or other mechanical appliance used in connection with telephony or telegraphy resides on the employer's premises an arrangement may be made between the employer and the employee for the employee to answer emergency calls between the hours of 10 p.m. and 8 a.m. The arrangement, when approved in writing by the Board, may be put into effect and thereupon shall not be in contravention of any other provisions of this Order.

Split shift.

Switchboard operator residing on employer's premises.
10. That every employer shall, at least as often as semi-monthly, pay to each of his employees all wages and salary earned by the employee up to a day not more than 8 days prior to the date of payment.
11. That every employer shall post and keep posted in a conspicuous place in his establishment, so that all employees affected thereby may have ready access to and see the same:—

Payment of wages.
- (a) A copy of this Order:

(b) A schedule setting out the daily shifts and intervals free from duty of each occupational group of his employees.
12. (1) That every employer shall keep in his establishment a true and correct record in the English language of the wages paid to and the hours worked each day by each of his employees, together with a register in the English language of the names, ages, occupations, and residential addresses of all of his employees.

Order to be posted.

Shifts to be posted.
- (2) That every employer shall, on demand of the Board or any person authorized in writing by the Board or by the Chairman of the Board, produce for inspection all records kept by him relating to the wages, hours of labour, or conditions of labour and employment of any or all of his employees.

Records to be kept.

Records to be produced.
13. That Order No. 34 (1948), dated August 3rd, 1948, and Order No. 79, dated March 13th, 1945, establishing minimum wages in the office, and telephone and telegraph occupations respectively, are hereby rescinded.
14. That this Order, made by the Board at Vancouver, B.C., on the 11th day of December, 1956, shall take effect on the 4th day of February, 1957.
- Order effective.
